Dear Mary,
Hi! How are you? I'm really well. I really like it here in London. I'm very busy! I met a nice man at work - his name's Chris, and he's a banker. He's 46, works hard, and likes to play the guitar. We enjoy our time together, and he really listens to me. He has a 13 year old daughter called Sue. She likes to write poems.
I will write more later!

Jane
