people in your family?
potatoe do you want?
do you want this job?
days in a year?

Adam goes to the shop

Saleswoman: Hello! What would you like?

Adam: I would like some oranges, please.

Saleswoman: How many?

Adam: Four, please. I would also like some beef.

Saleswoman: How much?

Adam: About 850 grams, please.

Saleswoman: Sure. Here you are. Would you like anything else?

Adam: 12 potatoes too, please.

Saleswoman: Here you are. Anything else?

Adam: No thanks, that's all. Thank you!

Saleswoman: Anytime! Thanks for your business!

Adam: Don't mention it!

100 - one hundred
1000 - one thousand
