On Saturdays, my boyfriend, Peter, plays tennis. I can't play tennis, but I like to watch Peter play. I'm not good at sports. I prefer to go to the cinema or just watch TV at home. I'm not as active as I should be, but on Mondays, Wednesdays and Fridays I ride my bike to work. On Tuesdays and Thursdays I get the bus.

Last winter, Peter and I flew to Geneva for a holiday in the alps, where Peter is from. He's French. We both like to ski and skate, so we had a good time.
