Dear Mary,
Hi! How are you? I hope that you're well - I am! This week was great. I went on holiday to France, and really had a good time. I played beach volleyball every day, and then rode a beautiful horse called 'Churchill' along the beach or in the forest. Every evening I had a massage at the hotel, and enjoyed the delicious food at the hotel restaurant. I met some nice Italian girls and some Germans as well. But I didn't meet any nice men (I know you want to ask me about that!). I just relaxed a lot and enjoyed the beach. I hope you had a nice holiday too! Please write when you can!
I miss you!
Love,
Sonia
xoxo
